Prepared. For Life.®

Boy Scouting is the foundation of our organization and while it is designed for boys in the six through twelfth grades, this program really involves the whole family as parents pitch in to plan and deliver activities. Scouting is affirmative and fun focused.

With fun and discovery at every turn, Boy Scouting makes the most of right now! New discoveries, new ideas, new friends. Scouting finds fun in everything, including fun times in science, technology, engineering and math (STEM) activities. Make Scouting the foundation of your future. Build an Adventure today!

When Boy Scout parents identify what they want from Scouting and what their boys receive the top five answers include:

	Want From Scouting	Receive From Scouting
Have Fun	98%	97%
Learn New Skills	98%	96%
Respect Others	97%	95%
Safe Environment	96%	98%
Learn Ethical Values	96%	95%

“Scouting taught me to seek out the best version of myself, to work hard for the things I want to accomplish, because anything worth doing is worth working hard for.”
